Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

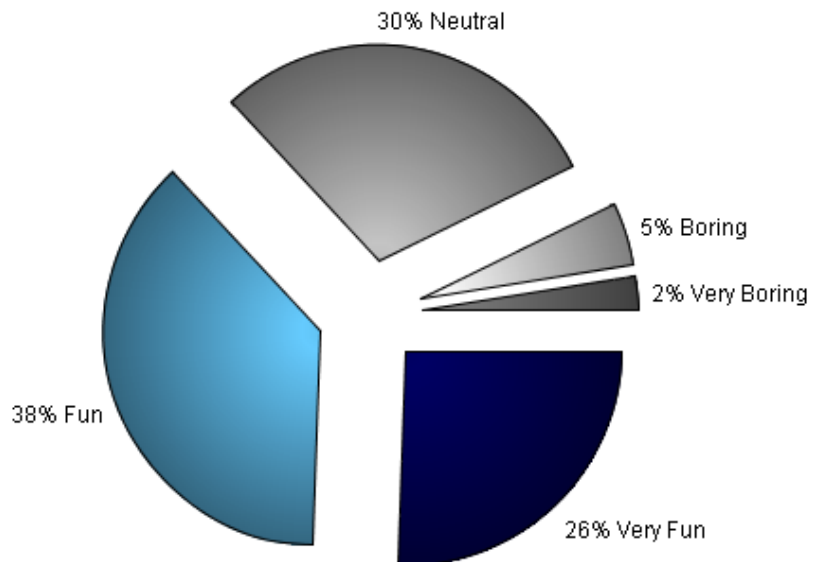

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

549580	There is so many things could happen to children when they are walking the street. Things do happen, I would not want my child to get hurt or killed.
549593	I do not let my kids walk because of the speeding traffic and all the violence in my neighborhood.
549594	I prefer me the adult to be with my child to ride or walk to school.
549612	I don't allow my child to walk to school only because of the violence.
549654	I am transporting my grandchild from daily city and back everyday.
586408	To many hills.
549230	I prefer an adult to be with my child to bike to school or walk.
