398349	The safety of sidewalks and pathways are not very safe.
398412	We walk everytime I'm off to work. But I'm afraid to let her walk by herself going home or going to school.
398423	El que tenemos que tener cuidado al ir caminando porque muchos de los conductores no respetan reglas de transito ni a peatones tampoco. Translation: We have to be careful when walking because many drivers do not respect traffic rules nor pedestrians.
398431	La caminata que hacen desde el Magdonale, a la escuela porque no hacen otra caminata del Walgreen por ejemplo de lado a lado hay ninos que llegan a la escuela caminando. Translation: The route that they take from Magdonale to school because they do not take the route from Walgreen for example, from side to side there are kids that arrive to school walking.
398449	No biking lanes, not safety. Although gas-free. & above reasons are my concern.
398458	Due to work hours, my daughter gets dropped off at her grandparents adn teh y walk to school which is just a block away.
398503	Si no existiera tanto crimen y violencia alrededor de nuestras comunidades, los barrios fueran mas seguros, y hubiera apoyo entre nosotros los padres para ayudarnos unos a otros. Seria mas facil para todos. Translation: "If there wasn't so much crime and violence around our communities, neighborhoods would be safer, and there would be support between us parents to help each other. It would be easier for everyone."

398348	The sidewalk on Lowell St needs to be fixed before school begins on Aug. 16, 2010.
398351	They should have a signal light at Whipple and Mission Street and a children crossing sign.
398417	Need an adult to walk or bike with them.
398476	Para mi opinion es muy saludable que los ninos caminen, es bueno para las bicicletas tambien pero con lo del trafico es muy arresgado para ellos. Mi hijo monta bicicleta y le gusta mucho el apendio en su escuela cuando ubo un entrenamiento. Gracias. Translation: "In my opinion, it's very healthy that kids walk, and it's good for bicycles as well but with traffico it is very dangerous for them. My son rides a bike and he liked what he learned in school when there was a training. Thank you."
398478	Creo que si es bueno motivar a los padres y ninos a montar en bicicleta y caminar por la salud de cada uno. Me gusta mucho lo que estan haciendo. Felicidades. Translation: "I think it is good to motivate parents and kids to bike and walk for the health of everyone. I really like what you are doing. Congratulations!
398480	Gracias a todos los encargados de esta encuesta. Por que? Porque se preocupan por la salud de nuestros hijos. Translation: "Thank you to everyone who worked on this survey. Why? Because they are concerned about the health of our children."
398516	Give more activity and exercise to all the students, that's the no. 1 that they need to be healthy and strong. And no more school will be close, coz the children need an education and learn if they close the school where's the children go in the street.
398517	Drivers does not slow down at the pedestrian or crosswalk even though kids are about to cross.
398521	Around 8:40 am before the time bell rings, it's too much traffic in front of the school (Morse St.) It's too dangerous for my son to get off the car and be hit by a car. You can't even park on the signed parking spaces. Can someone please monitor this problem before somebody gets hurt? I can suggest an idea: make the signed parking longer to accomodate the cars.
