No response: 3

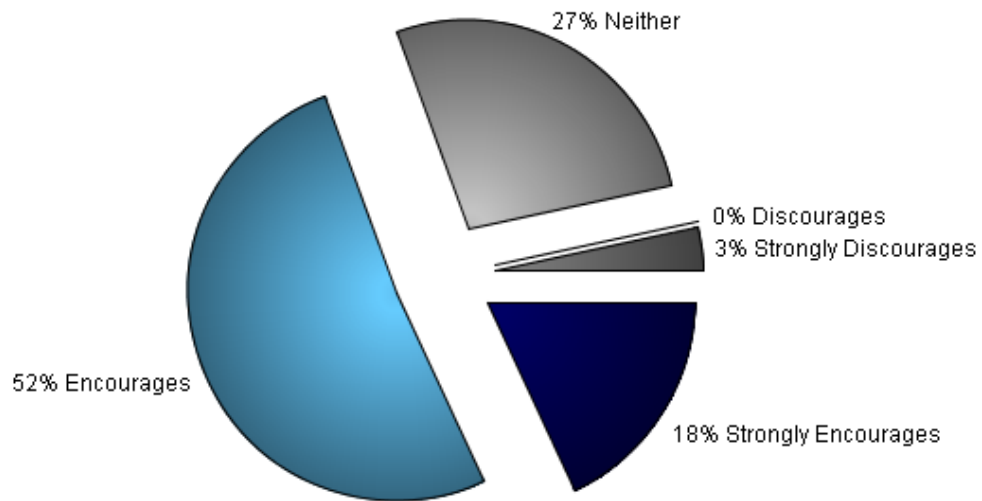

Note:

--Factors are listed from most to least influential for the 'Child does not walk/bike to school' group.

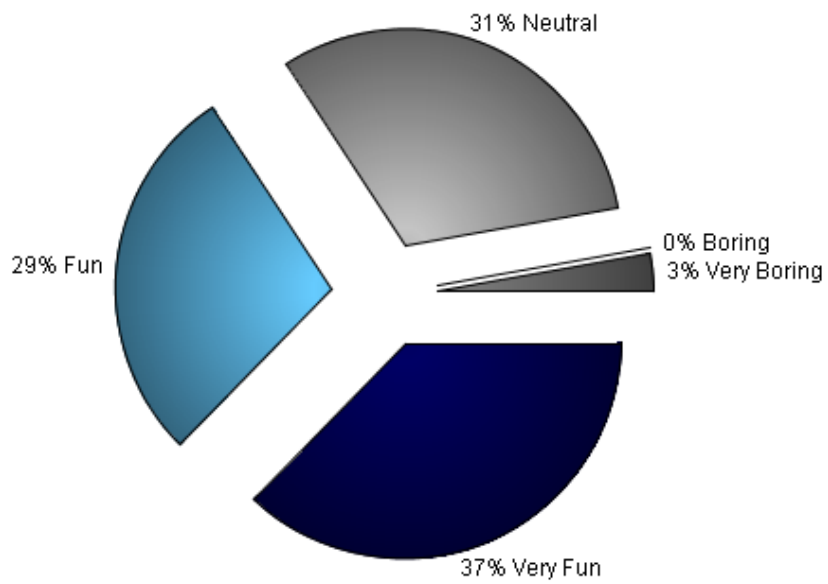

--Each column may sum to > 100% because respondent could select more than issue

--The calculation used to determine the percentage for each issue is based on the 'Number of Respondents per Category' within the respective columns (Child does not walk/bike to school and Child walks/bikes to school.) If comparing percentages between the two columns, please pay particular attention to each column's number of respondents because the two numbers can differ dramatically.

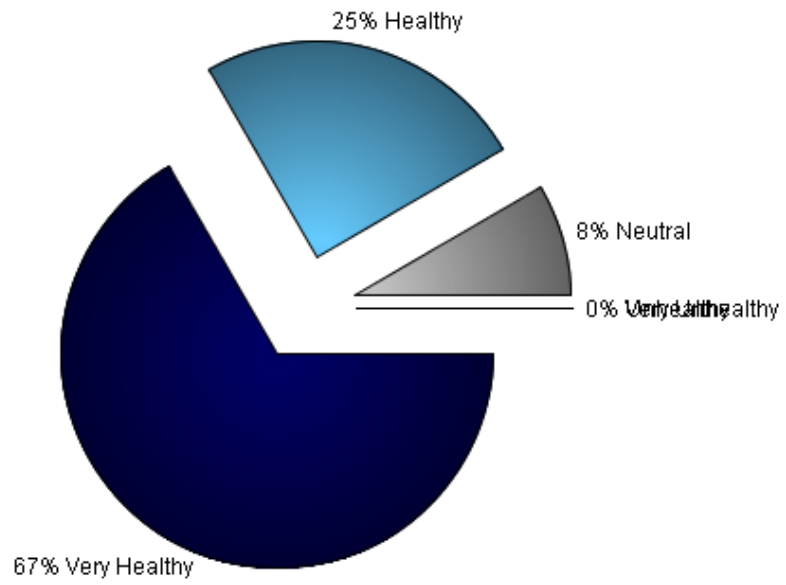

Parents' opinions about how much their child's school encourages or discourages walking and biking to/from school

Parents' opinions about how much fun walking and biking to/from school is for their child

Parents' opinions about how healthy walking and biking to/from school is for their child

Comments Section

SurveyID	Comment
620820	Violence is a concern
620821	I don't have a problem with my son walking or riding a bike to school. The problem is that there will not be adult supervision along the way.
620822	I don't have a problem with my boys walking or riding a bike to school. Its that their will not be any adult supervision on their way there.
621065	I will drive my son to school everyday. Thanks.
621071	Get bike racks to encourage!
621084	It's a nice thought, sometimes, in summer!
620818	I'm the type of mother that just does not trust this neighborhood and the people who live in it.
